This workshop can be physically challenging. For example: You will be expected to walk 2 miles in hot weather without shade. Do you have any conditions that may limit your outside activities? If so, please list them in detail:

Do you have any allergies? Please list them below:

Do you have any special needs (dietary)?

WETSHOP is a wetland stewardship project and is affiliated with a LaSIP grant which will consist of 85 hours of instruction. In addition to the 55 hour summer workshop, teachers will be expected to complete 30 hours of training during the academic year (AY) which will include:

1. Teaching a six-hour wetland workshop in their parish.
2. Attend two, 6 hr. in-service workshops plus 12 hr. of electronic workshops.
3. Two classroom observations.
4. Submission of project portfolio.

_____ Yes, I will complete the additional 30 hr. of training in the AY.

_____ No, I will not complete the additional 30 hr. of training in the AY.

Please explain how you will initiate/plan a teacher workshop in your parish (science supervisor, principal, other resource person that will help in contacting potential participants):

Please explain how you will use the knowledge you will receive at WETSHOP to educate students and others about Louisiana wetlands. What will you gain?

Why do you want to attend WETSHOP? (100 words or less)

Why Participate

- Receive numerous classroom resources.
- Network with wetland scientists.
- Accrue up to 85 professional contact hours.
- Receive up to \$2,375.00 of stipend funding.
- Receive up to \$100.00 for classroom materials.
- Receive water quality testing kit.
